

GLRSA Screening Checklist

One of GLRSA's goals is to provide a safe environment for the players, families, coaches, and volunteers to enjoy the game of soccer. Prior to each practice and game, each individual attending a GLRSA activity (i.e. Coach, Player, Referee, Spectator, Volunteer) should utilize the following checklist. If an individual is experiencing any of the below symptoms and/or the individual has come in contact with anyone exposed to COVID-19, he/she should **NOT** participate in or attend the activity.

SYMPTOMS

<input type="checkbox"/>	Temperature 100.4 degrees Fahrenheit or higher
<input type="checkbox"/>	Sore throat
<input type="checkbox"/>	New uncontrolled cough causing difficulty breathing (for individuals with chronic allergic/asthmatic cough, a change in their cough from baseline)
<input type="checkbox"/>	Diarrhea, vomiting, or abdominal pain
<input type="checkbox"/>	New onset of severe headache, especially accompanying a fever

CLOSE CONTACT/POTENTIAL EXPOSURE

<input type="checkbox"/>	Had close contact (within 6 feet of an infected person for at least 15 minutes) with a person who has confirmed COVID-19
--------------------------	--

NO ONE SHOULD ATTEND OR PARTICIPATE IN GLRSA PRACTICES AND GAMES IF HE/SHE IS NOT FEELING WELL, HAS A FEVER, OR HAS BEEN IN CONTACT WITH ANYONE WHO IS ILL.
