

Sideline Rule

Coaches, Teams, and Parents

U7, U8, U9, U10, U12, U14, U18

Parents, family, and fans are to sit along opposite side of coaches and teams behind the spectator line.

Team A players and coaches stay on opposite side of parents, and stay on one half of field for entire game.

Team B players and coaches stay on opposite side of parents, and stay on one half of field for entire game.

Coach A may not cross this line. →

← Coach B may not cross this line.

1. Coaches choose a half upon arrival to the field and place their teams' equipment, etc.
2. If both coaches want the same half, then the ruling will be to take the half which has the goal they defend first.
3. The game will not start until all fans are on one side and each team is on their own half.
4. The referee may stop play if a coach crosses the center line.
5. It does not matter which side of the field is occupied by the teams/fans. The diagram is an example only.

This rule does NOT apply to the U6 division.
