

GREATER LAFAYETTE RECREATIONAL SOCCER ALLIANCE MEETING MINUTES –9/4/2007

ATTENDEES: Jim Bollock, Bill Kerr, Scott Mull, Greg Nelson, Brent Rardin, Rene Serbantez, Rodney Tucker, Boyd Wheeler

TREASURY REPORT

- Treasury report presented by Scott.
- Scott to look into CDs or Money Market funds for the extra money in the checking account.

CONCESSIONS

- Concessions report was not given as Laura Cupp did not attend board meeting.

FIELD UPDATE

- A big round of applause to Rene and Greg for taking care of the fields at CAT and Davidson.
- Confirmed that we don't normally line practice fields.
- CC girls are using the back field at bishop Woods from 3:30-5:30.

UNANCHORED GOALS AT DAVIDSION

- Rodney to write a formal letter to girls' soccer coach and A.D. at McCutcheon concerning goals left unanchored at Davidson.
- We will give McCutcheon the option to leave the goals anchored at fixed locations (and not move the goals) or to ensure the goals are set face-to-face and chained together when they are not present.
- We need to have McCutcheon to give us the plans for getting their own practice fields. We believe we have been generous in allowing them to practice at Davidson, but this is to be a short term solution, not permanent.
- The U15 tournament will be located at Davidson and we need to line the fields and set the goals a several days before the tournament begins. This needs to be communicated to McCutcheon coaches.

INDOOR SOCCER SPONSORSHIPS

- Issue was tabled for now to collect more information on indoor soccer options.

GAME STANDINGS

- Comment made that if the standings section is posted on our web site it should be kept current. If not the section should be removed. Jeff has been keeping the game scores updated on the schedule sections.
